BOX AF**AMENDMENT UNDER 37 C.F.R. §1.116**

Sir:

In response to the Office Action dated October 24, 2002, please amend the above-identified application as follows:

IN THE CLAIMS:

29 (Amended) A system for generating a story, comprising:

means for selecting a theme of said story;

means for examining elements of said theme and instantiating said theme; and

means for using said theme to select and control other aspects of the story generation,

including a plot of said story which employs knowledge-generated characteristics, relationships, and events.

32. (Amended) A computer-implemented, theme-based method of creating a story, comprising:

automatically generating, by a computer, a story based on a theme,

wherein elements of the theme of the story are expounded upon in a simulation engine in the computer to further generate a plot of the story which employs knowledge-generated characteristics, relationships, and events.
